JOB VACANCY ANNOUNCEMENT

Maintenance Chief II

Salary range: \$29,747 – \$46,235 per year (in effect through June 2010) The salary guidelines for the State's Standard Pay Plan are in effect as they relate to transfer or reinstatement-eligible candidates. This, like all agency positions, is a *non-political* Special Appointment position. A full State of Maryland benefit package is included.

Main function: This is the supervisory level of maintenance and stationary engineering work. Employees at this level supervise semi-skilled and/or skilled maintenance workers. The selected candidate will work with and oversee the agency's maintenance staff, and will also perform a variety of skilled maintenance work, to include that related to the HVAC needs of the agency.

Location: Sykesville, MD (Carroll County near Springfield Hospital Center)

Minimum qualifications:

Education: Have completed the eighth grade

Experience: Three years of experience in the maintenance or building construction trades, including two years of responsibility for assigning, reviewing and approving the work of others. Applicants with **HVAC experience** may receive preference, especially with Pritchett Controls systems.

NOTE: The selected candidate will be assigned duties that require the operation of a motor vehicle and require the possession of a valid Maryland motor vehicle operator's license.

Applicants must provide clear and complete information regarding their education, training, and experience as related to the requirements of the position. The selected candidate may be required to pass a job-related physical examination and/or drug test.

TO APPLY: Send a State of MD application (MS-100) OR a resume to the address below. Applications (MS-100's) may be downloaded at:
